Please read the following statement carefully and sign below indicating your agreement to the terms of the Accounting Department Scholarship Program.

If any of the contact information (e.g., mailing address) I supplied changes prior to January 1, 2010, I understand that I must supply the revised information to Mrs. Arnold in the Accounting Department Office (her contact information is provided at the end the application form) and specify the effective date(s).

Students who have received a total of three (3) or more of the above scholarships prior to the Spring 2010 Semester may apply; however, preference will be given to those students who have received a total of two (2) or fewer of the above scholarships prior to the Spring 2010 Semester.

Students who have been attending part time may apply; however, preference will be given to students who have been attending full-time.

I understand that to be eligible for a scholarship I must have completed or be enrolled in one of the 8 required accounting major classes since the last time that I received one of these \$500 scholarships. Enrollment must be for the Fall of 2009 at the latest, i.e., Spring 2010 will not satisfy the requirement. For example, if you received a \$500 scholarship in the Fall of 2009, you must be enrolled in one of the 8 classes in the Fall of 2009. For example, if you received a \$500 scholarship in the Spring of 2009, you must have completed one of the 8 classes in the Spring 2009 or Summer 2009 or be enrolled in one of the 8 classes in the Fall of 2009.

I grant the Accounting department permission to review my academic records and performance, as well as this application.

I understand that if I receive a scholarship:

- (1) I will be notified via the contact information (e.g., mailing address) provided in this application, and it is my responsibility to check for notification.
- (2) Pursuant to Florida State University policies, I must provide the Accounting Department a “thank you” letter addressed to the donor/sponsor as indicated in the letter of notification (the letter sent by the Accounting Department to a scholarship award recipient after the scholarship decisions have been made) by the date specified.
- (3) I must be registered for classes as an accounting major at FSU during the Spring 2010 Semester.
- (4) The scholarship award will be disbursed by the Florida State University Financial Aid Office through the financial aid distribution during the Spring 2010 Semester. In no case will funds be paid after the Spring 2010 Semester.
- (5) The names of the scholarship award winners may be publicized, including but not limited to posting the names of the award winners on the Accounting Department webpage.

I have provided all of the required information, e.g., transcripts. The information that I have provided in this application is true and complete. I have read the agreement concerning the terms of the Accounting Department Scholarship Program and agree to comply with the terms.
