

# ACCELERATE AND ACHIEVE

## Pursue an MBA in one year at FSU

Equip yourself with the analytical tools you'll need to succeed in the increasingly complex business world by earning an Accelerated Master of Business Administration from Florida State University College of Business.

Our one-year, on-campus program is designed for students who are disciplined, organized and receptive to fast-paced challenges. The program will allow you to hone your professional skills and collaborate with extraordinary peers in an environment that fosters creativity, teamwork and rewards problem-solving. You'll have access to our world-renowned faculty, who are experts in their fields of research.

Students may customize their MBA for their intended career with one of the following concentrations: accounting, finance, management information systems, real estate, risk management and insurance, and supply chain management. A global business seminar, which culminates with an overseas trip, will provide you with an invaluable international business perspective.

FLORIDA STATE UNIVERSITY  
COLLEGE OF BUSINESS

“One of the best aspects of the full-time MBA program at Florida State is the smaller, more focused cohort size. You take away as much from the academic and social interactions with your classmates as you do from case studies and lectures.”

– **Kevin Randolph, MBA 2011**  
Retail Sales Manager, AT&T

Graduates recommend the program for its rigor and laud faculty for giving students individual attention inside and outside classroom.

## Core curriculum

The Accelerated MBA program requires 45 credit hours. The current core curriculum includes the following:

## Concentration options

Students take 12 credit hours of electives and may customize their MBA with 9 hours in one of the following concentrations:

- Accounting\* (on campus)
- Finance\* (on campus)
- Real Estate\* (online)
- Supply Chain Management\* (on campus)
- Management Information Systems\* (online)
- Risk Management and Insurance\* with two track options:  
Financial Planning or Risk Management (online)

\* Concentration is subject to program director approval and appropriate student background. Please note: Online courses have additional fees. State-employee tuition waivers are not accepted for online courses.

A joint degree is available in law. For more information, visit [mba.fsu.edu](http://mba.fsu.edu)

## Prerequisites

Designed for professionals with extensive work experience, the FSU MBA does not require prerequisite coursework. However, it is helpful to have a general knowledge of accounting, economics, finance and statistics when beginning the program.

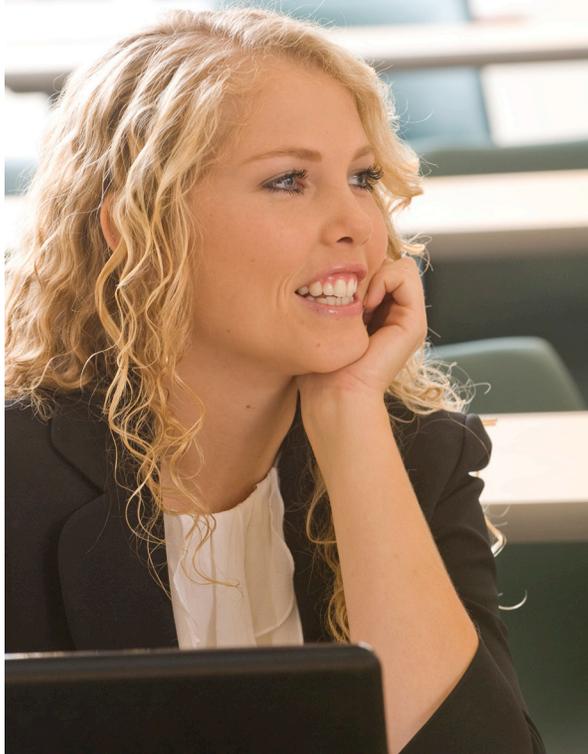

Please note: Program requirements are subject to change.

Incoming MBA students learn the fundamentals of teamwork with the challenge course at the FSU Reservation.

Each spring and summer, the College of Business offers a Global Business Seminar for MBA students. The course culminates with a trip abroad. Past destinations include South Korea (pictured); Australia, Argentina, France and Germany.

Students work with the same group of classmates from start to finish, developing lifelong relationships through team projects.

## Cost of a Florida State MBA

The College of Business offers assistantships for its Accelerated MBA students, with more than 30 percent receiving financial assistance. For a complete list of current estimated costs, visit [mba.fsu.edu](http://mba.fsu.edu). Please note: Tuition and fees are subject to change.

## Deadlines

March 1 – Applicants are encouraged to complete application files by December 15 in order to be eligible for additional funding at the university level.

## Admission guidelines

Admission to the MBA program is competitive and based on the academic and professional credentials of the applicant pool. The College of Business generally recommends two or more years of full-time work experience, a GMAT score higher than 550 and/or 300 on the GRE and an undergraduate upper division GPA of at least 3.0. However, all application materials are considered.
