

## BUSINESS INTENT ACADEMIC MAP 2017

During your first two years, you must stay on-course with the Business Intent Academic Map. To stay on-course, you must satisfy the milestones for each semester. If you get off-course, you will not be able to register for the next semester until you meet with an academic advisor. You will have only one semester to get back on-course. If you are off-course for two consecutive semesters, you will not be able to continue as a Business Intent student.
