[Watch the Presentation.](#)

Bruce A. Rendina is the Chairman and CEO of Rendina Companies and Paramount Real Estate Services, Inc. Mr. Rendina is the founder of these companies and has been active in real estate development, management and ownership since 1985. Through these companies, Mr. Rendina has amassed a real estate portfolio valued in excess of one billion dollars. Rendina Companies and Paramount Real Estate Services specialize in the development and management of medical/healthcare facilities. Mr. Rendina is recognized as a pioneer in the medical real estate development industry and has the designation of owning and managing the largest portfolio of medical office buildings in the country.

Mr. Rendina is a graduate of Florida State University, class of 1976, where he received a Bachelor of Science Degree with a major in accounting. Prior to his entry into the real estate development industry, Mr. Rendina worked for the international accounting firm of PricewaterhouseCoopers for ten years and rose to the position of regional director for the southeastern United States. Mr. Rendina has received a

number of awards and recognition including Ernst & Young's Entrepreneur of the Year in 1997.

Mr. Rendina is married to his college sweetheart Marji and they have three boys.
